Babergh and Mid Suffolk Call for Sites 2024 Inbox x

BMSDC Local Plan

to BMSDC

Fri, 5 Jan, 12:04 (5 days ago)

To whom it may concern,

Following adoption of the Babergh and Mid Suffolk Joint Local Plan Part 1 2018-2037 Development Plan Document (DPD) in November 2023, the Councils are progressing with the production of the Joint Local Plan Part 2 DPD. At this initial point of the plan-making process the Councils are inviting site submissions to be put forward for residential land use for consideration for future development.

This is known as the 'Call for Sites' process. It is important to note, the Call for Sites exercise will not in itself determine whether a site should be allocated for development. All sites will need to be further assessed and the overall strategy for the Local Plan will be informed by a number of evidence base documents and feedback from consultations. The submission of a site through the Call for Sites process does not give them any planning status, nor does it determine any future planning status.

The Councils recommend submission through our electronic online portal, which is available at baberghmidsuffolk.oc2.uk. Alternatively, please follow the guidance below and send e-mail submissions to localplan@baberghmidsuffolk.gov.uk.

Further information including a guidance note and paper version of the form is available to download on our websites at www.babergh.gov.uk/jointlocalplan and www.midsuffolk.gov.uk/jointlocalplan.

A separate submission must be made for each site using the online portal or form, and these must be received by **1pm on Friday 2nd February 2024**. The Councils may undertake further 'Call for Sites' exercises for other land uses as the evidence base develops.

If you have any questions regarding the 'Call for Sites' exercise, please contact a member of the Strategic Planning Policy team via the telephone or e-mail details below.

Yours faithfully,

Robert Hobbs
Corporate Manager – Strategic Planning
