

Request for volunteers – St. Elizabeth Hospice

St Elizabeth Hospice is looking for warm, caring and empathetic people to become Community Volunteers and provide support to people living in their own homes.

We have many patients requesting support in their own homes, across various locations in Suffolk but in particular – Saxmundham, Ipswich, Woodbridge, Eye, Felixstowe and Stowmarket areas

We would really appreciate it if you could share this email with friends, family and colleagues or if you have a notice board it would be great if you could pop the attached poster on it (more than happy to send out hardcopies)

The support provided may include tasks such as collecting and delivering shopping, collecting medication, making a snack or drink, light housework and gardening or visiting to provide carer/ loved one respite, reassurance or a cup of tea and a chat.

Best wishes
